Institutional Advancement

We all know that the true spirit of Christmas is giving. We have all experienced the satisfaction and fulfillment in giving and seeing the impact that a gift brings to others. As Christmas approaches consider giving a gift that will allow a student to continue his Brother Rice education. The Brother Rice Lifeguard program will touch a fellow person in a way that is truly about giving. Students and their family at Br. Rice that have been impacted by the economy are looked after with the support of the Lifeguard program. It is through the generosity of the Lifeguard donors that such Br Rice students can finish their Catholic education. Please consider making a gift this year to a student at Brother Rice. Making a gift that will live with the student his entire life. Donations can be made by checks to Rice or online at our web page. A single gift can be a lifetime reward on some less fortunate Br Rice student.

Have a Merry Christmas.
