College Visions
ACT 2010
Strictly Strategies Workshop

Why are standardized test scores important?

- College costs are climbing!
- Competition for college admissions, scholarships and financial aid is intense.

Average annual cost of a public (in-state) college for 08-09 is $18,326
College Board

Estimated average 2009-10 cost for one year at University of Notre Dame is $51,300
University of Notre Dame

A good rule of thumb is that tuition rates will increase at about twice the general inflation rate.
